RESTRICTION REQUIREMENT

In their response of January 28, 2003, Applicants elected the method of claim 70 (now new claim 98), i.e., treatment of hypercholesterolemia using the
20 compound

Claims 83-87, 93-98, 100-101 and 107-111 read on this species. Applicants maintain their election of this subject matter in response to the restriction requirement.

CONCLUSION

An examination on the merits is respectfully requested. Applicants' representative can be reached at the number given below if the Office has any questions or would like to address any other matters that may arise.
